A newsletter for friends and residents of Oakleaf Village

## June

Happy June! What a beautiful time of the year! I hope you are enjoying the flowers, walking outside and the beautiful breeze. A friendly reminder: Stay hydrated, don't sit in the sun for too long and if you take a walk, let the front desk know.

On the calendar, June 7th at 10:45 and June 28th at 5:00 we have an activity named Label Your Cell Phones. This means many things and is important to attend if you have a cell phone. We want to make sure Oakleaf is programmed in your cell phone. Especially if you go on outings or our driver takes you to doctor appointments. We also want to make sure we have your cell phone numbers. If we need to reach you while you are out, or if you are on an outing, we can reach you.

Cell phones are often misplaced, we may find one in the lobby or dining room. We can label your cell phone with your name or, Take your

picture and use it as your screen saver. These are two great ways to help identify whose phone it is. Alison and Jodi can help set all of this up for you, so be sure to see them during one of those 2 events.

### Father's Day June 18th

Other cell phone tips, Plug your phone in every night to charge, When carrying your cell phone, turn it on so people are able to get a hold of you and make it a habit to keep with you.

Many of you loved our painting project in May with the sunset. This month, on June 6th, we will be painting

Cosmo Flowers. It is a fun, easy painting project that will for sure be Toledo Art Museum worthy. I hope you come and try out your artistic talents.

On June 10th we are having a horse come to visit us—yes, a Horse! He will be in the gazebo area. You can brush him, pet him and give him big hugs if you want. Feel free to invite your families to come.

Friday, June 23rd is our monthly BBQ Grill party. This theme is Pink Flamingo Friday! Pull out your pink shirts and other pink attire and be apart of the fun. We have a full day planned for you including Pink Flamingo Happy Hour!

Have a Joyous June!

### From The AED

Assistant Executive Director

“Growth is never by mere chance; it is the result of forces working together.” - James Cash Penney

I would like to make special mention to the recent change/addition, to our clinical team on campus.

Danielle Ballesteros, LPN, has accepted the Program Director position at our Grove Memory Care. Danielle has been with us for a little over 7 years, previously serving as our campus Director of Care. Program Director is not a new role for her, as she previously served as the Program Director, now returning to her passion for memory care!

We are pleased to welcome Sarah Kaczynski, LPN, as the new Director of Care for the Oakleaf & Grove campus. You may have already seen her in the halls in the past few weeks & already introduced yourself. If you have any questions regarding your care or the nursing service(s) that you receive/would like to receive, please meet with Sarah. Her office is located next to the Multipurpose Room on the second floor, or you can leave a message for her to see you with the front desk receptionist.

As always, please feel free to see me if you have any questions, concerns, or suggestions.

Heather Evans RN, Asst. ED

### Pizza Lunch Day

Thursday, May 11th at 12:00  
Pizza, Drink & Dessert for \$1.00
