the Acorn

A newsletter for friends and residents of Oakleaf Village

What a beautiful time of the year! We have a fun month planned for you. We will start the month with the Kentucky Derby! Friday night, before the race, we will send you the list of horses. Saturday morning you can start betting on your horse. It is a quarter a bet. You can make more than one bet on the horse, and you can bet on more than one horse. Winner takes all! We will watch the derby in the multi-purpose room, on the big screen Saturday evening. It is the most exciting 2 minutes in sports!

Also, on May 3rd, at 10am, we are taking the bus to the Westgate Parking lot for those of you that have papers to shred. They are accepting paper only. 3 boxes per household (does not say the size), any additional boxes will be \$3.00. They will also be accepting cell phones, small appliances and computers. TV's will be an extra fee, see Alison for more details. Sign

up at the front desk if you want to go, and take your shredding.

Oakleaf purchased a new bus. As of now, there is no cart corral on the bus to store the walkers. We ask that if you go on an outing, with your walker, you clean out your

Memorial Day
"We don't know them all, but we owe them all" - Unknown

pouches on your walkers. We need to fold them flat and lay them on a seat. We want to prevent items from spilling out. We also want to remind you when going to the store, there is a 3 bag rule. That includes a 12 pack of pop, a large bag of cat food or depends being counted as a bag. This is because you must be able to keep your bags with you in the bus seat. If you need to purchase more items, or large

items, please come to the TV Lounge on Wednesdays at 10:45, and the activity team can do an online shopping order where they will deliver the items directly to your apartment.

Gardening season is upon us. We still have a few empty garden plots for those who are interested. We will be working in the fairy garden this month, going to a green house to get plants and getting the garden plots ready for the season. If you do not have, or want a plot, yet you want to help, please join us at the raised gardens when these activities are scheduled. Many hands make light work. The residents raised gardens is also a nice, quiet place to sit and read, have a picnic or rest when taking a walk.

I hope you have an amazing month of May. Get out into the fresh air, meet a new friend this month and try a new activity.

*A Note from Heather Evans
Assistant Executive Director*

**“Spring unlocks the flowers to paint the laughing soil.”
– Bishop Reginald Heber**

Spring has sprung!
Just a few friendly reminders as we start to experience warmer weather and go out to enjoy the beautiful weather & spend time with family & friends:
Please stop by and notify the front desk receptionist if you are leaving the community- Whether you are going outside for a walk, leaving to spend time with family, going to a doctor’s appointment, etc.
It is equally important to check back ‘in’ with the receptionist when you return to the community.
This is important for a variety of reasons, but mostly for emergencies and safety purposes. If there is an emergency, we need to be able to locate everyone in the community quickly and efficiently. Your communication in this process plays a very important role.
Please consider a walking buddy, carry your cell phone (make sure it is charged, and the front desk has your number) and make sure Oakleaf’s number is programmed in your phone in case of an emergency. Safety matters.
So, stop by the front desk, CHECK OUT & CHECK IN, and enjoy the wonderful spring weather!
As always, please come see me if you have any questions, concerns, or suggestions.
Heather Evans RN
